Dear Mr. Chapman:

This letter is in response to your Freedom of Information Act ("FOIA") request received by the City of Chicago Department of Aviation ("CDA") in our offices on January 25, 2019. In your request, you seek the following:

A copy of the following records for all past and current employees and contractors employed by this department. Please provide at least, but not limited to, 5 years worth of records.

Name

Email address

Title

Name of immediate superior

Email address of immediate superior

Direct reports (if applicable)

In response to your request, please find attached two files in Excel format. The first file contains the names and job titles of personnel employed by the CDA on the date of your request. The second file contains the names and email addresses of personnel employed by the CDA on the date of your request. The CDA does not maintain this documentation on a historical basis; as such, there is no ability to provide you with five (5) years worth of job title or email addresses for personnel who worked at the CDA during the previous five (5) years but are not currently a CDA employee.

In response to your request for a listing of the current and the last five (5) years' worth of the names of employees' immediate supervisor and/or direct reports, the CDA does not have any responsive records.

This concludes the CDA's response to your request.

Sincerely,

Saundra Fried
FOIA Information Officer
